

Come and join our Rock In Design program!

Program offers skills in:

Carpentry

Building of furniture

Design

Upcycling of furniture

Refurbishing

Sales

Business Management

- ✓ Have you left school?
- ✓ Are you unemployed?
- ✓ Having trouble finding a job due to lack of work experience?
- ✓ Would you like to expand the skills you have and meet new people?

The program will provide positive and valuable work experience for people in local community opening more doors to opportunities for employment.
