

Service Delivery Centre

Funded by the Australian Government's Department of Health & Ageing and FSG Australia, the houses are comfortably furnished and are located in the Beenleigh/Logan region.

Located in Beenleigh and Logan, just north of the Gold Coast, our guests can enjoy overnight and weekend holiday stays and/or a range of fun day and evening activities.

Holiday Homes

Features of Holiday Homes:

Services Offered

We offer services for children and adults with a disability in a home-like environment, who are supported by our qualified and skilled staff.

Individual Group Activities

All activities are age-appropriate and include staff support in enhancing people's individual life skills via outings in the local community.

Planned Break for Carers

We provide flexible individualized planned breaks that respond to the uniqueness of each person and their family/Carer. Carers are encouraged to participate in regular Carer Support groups.
